RE: Civil Action # 05-047 GMS

Dear Judge Sleet,

clerk in receipt of your recent
order regarding one of the above cases.
Since the court refuses to accept
my current filing as well as past filings
and since the court has decided not to
rule on make a decision on my motions
and requests and giving the defendant the
advantage against me. ~~The Court~~ giving them
more time to respond as well as not
accepting my filings of proof and myself
not understanding the rules and procedure
of your court, I hereby ask that
my current motions be withdrawn. ~~Since with~~
the court would have put everything on
a level playing field so proper justice
could have been served.
